Projects

E-Commerce application | Flutter   GitHub

Developed a **RESTful API-driven e-commerce** app, using **feature-first design system**. Utilized **GetX** for state management and Git/GitHub for version control. Integrated **stripe for payment gateway**.

- **Technology used:** Flutter, RESTful API, GetX, Stripe API, Github.

Task management application | Flutter   GitHub

Developed a task management app with **RESTful CRUD APIs**, **Postman** for api testing, followed **Layered architecture**. **GetX** for state management, Git/GitHub for version control.

- **Technology used:** Flutter, Rest api, Postman, GetX, GitHub.

News paper application | Flutter   GitHub

Developed a newspaper application using free APIs and **Layered architecture**. Employed Git/GitHub, **Postman**, and **Figma** for design, testing, and development.

- **Technology used:** Flutter, Rest api, Postman, Figma.

Skills

Domain: Problem Solving, DSA, OOP.   **Language:** C, C++, Dart.

Mobile: Flutter, GetX.   **Tools:** GitHub, Android-Studio, Firebase, Figma.

Problem Solving Activities

CodeChef: hudaenu – **Max Rating: 1523** – 2* Coder. Active competitor, consistently improving.

Codeforces: hasinulhuda – **Max Rating: 1015** – Newbie. Active competitor, consistently improving.

LeetCode: hodainu – **Total Problem Solved: 72+** DSA Problems.

Professional Experience: Freelance UX & web Designer

October 2021 - Present

- Diagnosed usability problems via heuristic evaluation, delivering effective, user-centric UX solutions.
- Designed, developed, and managed custom websites for clients using WordPress.

Extra Curricular Activities: Member, XPSC CP Club – Phitron

October 2025 – Present

- Actively practicing competitive programming and exploring advanced DSA topics through coding contests and peer problem-solving sessions.

Certificates

App Development with Flutter

Ostad - (Ed -tech platform) - April 2024 - February 2025

CSE Fundamentals with DSA

Phitron - (Ed -tech platform) - April 2025 - September 2025

Education

BSS in Economics   Expected graduation date: July 2026

National University of Bangladesh
